The American Housewife

The American Housewife
By Anonymous

This cookbook and reference guide leads the American housewife through how to make everything from meat to common drinks, as well as helpful tips and tricks for any housewife! Also included in this fine text are sections on cooking for the sick, and how to make your own essences, perfumes, dyes, and soaps. This work also features an extensive section on the art of carving, which covers anything you might need to carve! (Summary by Jennifer Stearns)
